*Please note that guidelines are subject to change at any time.*

## LETTER FROM THE DIRECTOR

### *Dear Neighbor:*

Over the past month we have started to see a glimpse of normalcy. We enjoyed having the little ones of our community in camp, and other programming, and are encouraged by the overall response of our fitness members who are adjusting to the center and the prescribed safety protocols. Seeing all of you is a motivator for all of us to continue to strive to meet the needs of our patrons during this difficult time.

The Fall will look a bit different this year. We are working to provide as much outdoor recreation for Roselle within the guidelines of the Governor's office and the DCEO. We are also partnering with the school Districts to meet the needs of working with parents and assist in ways to support the virtual/eLearning process.

I want to assure the community that we are taking the necessary steps to provide a safe environment for programming, working-out, and enjoying our outside parks and playgrounds. Nothing is more important than ensuring the health and safety of the community and our workforce.

Please watch your emails and our websites for updates that pertain to specific programming and facility usage. If you have any questions, please feel free to contact the Park District at 630.894.4200 between 9:00AM-5:00PM Monday through Friday.

On behalf of the Park Board of Commissioners and District staff, I want to thank you for your support during this time. We are happy to have you back with us and hoping that we can continue to respond to the communities needs in the upcoming months.

Be well,  
Lynn McAteer  
Director

# MEET YOUR FITNESS INSTRUCTORS

## Amber

I discovered group exercise classes after I had my son. I needed to get back to the gym but I was tired so I needed my workouts and exercise to be fun! I began taking group exercise classes and one thing led to another. I have been teaching group exercise since 2016 and I love it! I teach multiple group fitness formats, and it is my hope is that I am helping people get an effective and enjoyable workout!

## Ayumi

I love working out when it doesn't feel like working out, which is probably why I fell in love with MixxedFit! I was introduced to MixxedFit sometime ago, and shortly after I decided to become certified to teach the class. My goal in becoming a Mixxedfit instructor is to share with others the philosophy that working out can be super fun!

## Debbie

I have always felt a lifelong love for fitness, but especially for dance! I been taking Zumba as a participant for many years and now I love teach it! Zumba does not only express my love for dance but it makes me excited to help others too! I love motivating and inspiring others, and the people who take my class motivate and inspire me as well! Every class is a dance party – Zumba is exercise in disguise!

## Monica

I am a resident of Roselle and I have been a member of the Fitness Center since I first moved here. I have been involved in sports my whole life and currently play on a women's volleyball team and co-ed soccer team. I also coach volleyball, track, and basketball at Roselle Middle School and the Running Club at Spring Hills School where I teach second grade. Several years ago, I started attending Body Pump and was hooked from day one. I am excited to have the opportunity to teach Get RIP, which is very similar. It is a great total body workout!

## Pauline

I have been teaching at Roselle Park District since 1992. I hold several certifications: ACE Fitness - Group Fitness Specialist, ACE Fitness - Personal Trainer since 2001. My specialties focus on balance, mobility and flexibility training, senior fitness training, strength and core, cardio endurance training, Pilates and Yoga.

## Teresa

I have never considered myself an "athlete," but have always loved to dance. When I discovered the world of dance-based group fitness classes, it was the perfect fit to keep me motivated. I believe that finding a workout you enjoy is key so that you will be more likely to stick with it and build from there. As a MixxedFit instructor I hope to share my love for dance fitness with others!

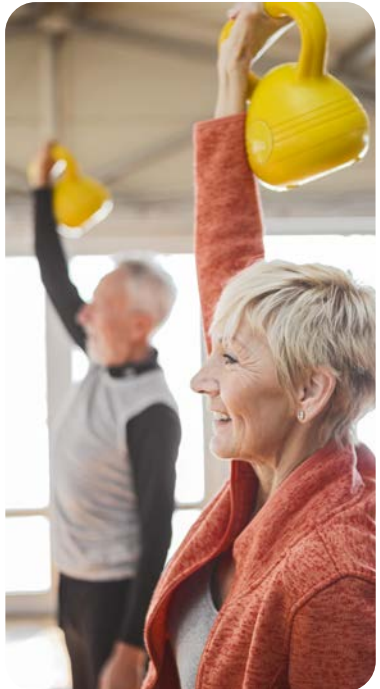

## John J.

As an avid outdoor cyclist, I am extremely excited to re-start indoor cycling at the Roselle Park District! I have previously instructed spin classes at Harper College, Arlington Heights Park District, and my own studio, TopGear Cycling. I bring an eclectic mix of inspirational music that appeals to a wide spectrum of participants which make my spin sessions efficient and fun for all participants, whether you are a first-timer or an experienced cyclists, I bring something for everyone!

### Early Childhood Steps to Success: Taking Small Steps Toward Big Futures!

Start your child on the path to a successful school experience with the Roselle Park District's preschool program where we take small steps toward big futures. Programs for two, three, and four-year-olds are designed to give your child the tools and experiences they need to assure a positive transition to Kindergarten and beyond.

#### Tot and Parent

Age 1.5-2.5 Years **by the first class with parent**

Curriculum promotes positive and healthy relationships and interactions by practicing social skills such as listening and sharing with other children. Teachers support physical and social development as well as the development of fine and gross motor skills through playing with toys, circle time, singing, dancing, and crafts.

#### Soon 2B3

Age 2.25 Years **by 9/1/2020, and working on potty training**

Curriculum emphasizes a nurturing atmosphere and an introduction to the educational process which is inviting and encouraging. Teachers assist children in experiencing a positive separation from home, provide opportunities to work with various media forms, and help develop listening and language skills. Appropriate activities include opportunities to improve gross and fine motor development, listening to simple stories, basic art projects, and working with toys, puzzles, and blocks.

#### Little Learners

Age 3 Years **by 9/1/2020, and potty trained**

Curriculum exposes the children to structure, routine, and following directions within a schedule. Beginning concepts in reading, writing, and math; encouraging growth in social development, and promoting an awareness of health and safety are also a class focus. Appropriate activities include providing a healthy outlet for imaginary and dramatic play, working with manipulatives, listening to stories, having special visitors, going on field trips, and opportunities for students to express themselves.

#### Kindergarten Readiness

Age 4 Years **by 9/1/2020, and potty trained**

Curriculum provides further development of the educational concepts in literature, math, and science, as well as social, emotional, and physical growth. Activities provide a print rich environment that stimulates the development of language and literacy skills in meaningful context. There is a greater variety of experiences to promote interest in the community and the world outside the student's own. There are more concentrated fine motor skills such as writing letters and numbers, cutting, gluing, painting, and using manipulatives. There are many opportunities for making choices, developing problem solving skills, becoming independent thinkers, and developing confidence. Children also have visitors and go on field trips to enrich their studies of various themes.

### Provide Your Child With:

- Activities that are developmentally appropriate, where children are encouraged to learn according to their individual needs and interests
- Diverse experiences, materials, opportunities, and time for children to develop socially, emotionally, intellectually, and physically
- A safe and nurturing environment where children explore, experiment, manipulate, and use their natural curiosity to solve problems and learn about the world around them

### 2020-2021 Preschool Program (DC)

For questions, inquiries, or to schedule an appointment to view the rooms regarding the Preschool Program please email Recreation Manager, Dana Colantuono, at [dcolantuono@rparks.org](mailto:dcolantuono@rparks.org).

The 2020-2021 school year begins the week of September 6, and ends the week of May 9, and follows the District 12 school calendar for days off. Days cancelled for any reason are not made up at the end of the year due to program schedule and graduation ceremonies. All children enrolling in the Roselle Park District preschool must submit a copy of birth certificate at the time of registration, and a current health record by the first day of class.

All preschool rooms have an individual bathroom for children to use. Children who are in Little Learners 3 Year Old Preschool and Kindergarten Readiness 4 Year Old Preschool are required to be independent in the bathroom. Teachers cannot assist with toileting, cleaning, or changing. Children who are in Soon 2B3 Preschool should have exposure and practice at home with the bathroom and should be working on their independency. They may wear diapers or pull-ups to class. In accident situations teachers do not do any cleaning or changing, however they will call for someone to come and change the child.

### Frequently Asked Questions?

#### What is the best payment option for my childcare needs?

The Club Kids program is designed to be flexible for the days and times you need care. Registration is completed per day/date for AM Care, PM Care, or BOTH AM/PM Care. If your AM Care needs for days are different than your PM Care needs as far as daily schedule for childcare, then selecting AM and PM to differentiate the days should be selected instead of BOTH. BOTH refers to AM and PM when the childcare for the morning and the afternoon falls on the same day.

#### When can my child start once he/she is registered?

Due to program minimums/maximums and guidelines for group sizes due to COVID-19, registration must be completed at least 8 days prior to the participants planned days/dates of attendance. Once registered you will receive a notification email to complete and/or update your child's ePACT. Your child's ePACT must be completed at 100% and each Club Kids participants ePACT must be complete prior to their first day of Club Kids. Participants will be denied access to Club Kids in the event their ePACT is not completed at 100%.

#### Where is the program located? Where does my child go after school?

Each school listed has an on-site room within the school for the Club Kids Program. Club Kids at Waterbury is held in the gymnasium, Club Kids at Spring Hills is held in the Multi-Purpose Room, Club Kids at Medinah Primary is held in the gymnasium, and Club Kids at Medinah Intermediate is held in the gymnasium. Additional program locations within the school may be used due to group size guidelines due to COVID-19.

#### Where do I drop my child off on their first day?

Each Club Kids program has a designated door to use which will be labeled with a Club Kids sign. Additionally, each Club Kids program has a cell phone which you can call to access staff.

#### What do I do if my child is absent from school and not attending Club Kids? Who do I need to tell?

For AM care absences, staff does not need to be informed. For PM care absences, you should always inform school staff (school office and teacher,) if your child's schedule has changed, and you can leave a text or email the Club Kids staff.

#### Should I inform the school staff (office and/or teacher) that my child is enrolled in Club Kids?

For any child enrolled in PM Care, you should notify the school staff so they are aware of your child's after school schedule so they can ensure the child gets to Club Kids on their enrolled days and/or bus or pick-up line when not attending Club Kids.

#### Who runs the program at the school?

Club Kids programs are staffed by Roselle Park District childcare staff members who are all CPR and First Aid certified and have childcare experience within the Roselle Park District.

## YOUTH SPORTS

LEARN SKILLS, HAVE FUN, BE ACTIVE!

### Thank You to Our Coaches!

The Roselle Park District thanks the volunteer coaches for their time and effort this past season with basketball, volleyball and soccer. Your time and effort are greatly valued by the Roselle Park District and parents of the participating girls and boys.

### Volunteer Coaches Needed!

Be it our in-house soccer, volleyball and basketball leagues, or Raptors travel basketball teams, volunteer coaches are a valuable ingredient in our youth athletic programs. Without caring moms and dads from the community giving of their time and effort, we would not be able to offer these types of activities. They understand the valuable lessons of participation, teamwork, character, and sportsmanship.

The Roselle Park District feels these long-term principles are paramount and cannot be shoved aside in order to achieve short-term "victories." If you are a "first-timer," we offer clinics and an on-line coach's certification program for those interested in this fun and rewarding opportunity.

**Please call 630-894-1039 for details.**

# YOUTH SPORTS

Hot Shots Sports aims to develop young athletes who will grow emotionally, physically, and intellectually in our sports programs.

By redirecting the focus away from wins and losses and toward personal growth, we create an environment where winning is the byproduct of, and not the means to, success. This approach creates critical thinkers who understand the importance of giving their best in practice, games, and other endeavors. Our Coaches take pride in fostering that drive and motivating your child to find the champion inside of themselves.

## Sports Enrichment (SS)

Ages 3-6

This enrichment program features a new sport each week. Some of the sports taught and played include basketball, floor hockey, football, kickball, soccer, and baseball. In addition, participants play many popular running and group games. Children will have the opportunity to acquire new skills and develop confidence in games they have played in previous classes.

## REGISTRATION

### Register Online It's Fast, Convenient, and Available 24/7

You can now register for programs from the comfort of your home using a credit card 24 hours a day/seven days a week, all through an encrypted and secure internet connection.

To review our online registration, simply log onto the website at [www.rparks.org](http://www.rparks.org) and click ONLINE REGISTRATION.

#### What information do I need to register online?

- User Name and Password (Go to Online Enrollment tab) from the Registration drop down menu
- Credit or debit card (Visa, MasterCard or Discover)

Upon payment of your completed online registration, you will be emailed confirmation.

#### Online Registration

Programs will be filled on a first-come, first-served basis. Some programs will not be available for online registration 24 hours to two business days prior to the program start date.

If you do not have a username and password, we encourage you to go to the site and fill out the Online Registration Enrollment Form, you will then be emailed a user name and password.

### Waivers

In accordance with the Recreation Department policy, all program participants must sign a hold harmless agreement prior to participation in department sponsored programs. The waivers are on the bottom portion of program registration forms, designated sign-in sheets, and fitness membership applications. These must be signed by the adult participating in an adult program; and by the parent or legal guardian of participant under 18.

### Include Payment & Sign Waiver/Release

Please note that you need to include full payment and a signed waiver and release for your form to be processed. Credit card payments require an additional signature to authorize payment. For these reasons, we are unable to accept phone-in registrations.

### In Case of an Error

Complete details of program policies, procedures and guidelines are sometimes omitted from the program brochures because of space limitations. Also, errors in days, times, registration requirements and fees may occur as well. We apologize for any errors that may appear in the brochure. We thank you for your patience and understanding when these situations arise.

### Program Room and Area Locations Sometimes Move Around!

Program locations are subject to change. Roselle Park District staff reserves the right to make changes to room/area locations if deemed necessary for the participation and safety of all our registrants and programs. This type of flexibility is necessary to ensure that all planned program sessions can meet and activities can go as planned.

### Register Early

Nothing ruins a good program quicker than everyone waiting until the last minute to register for it. There is a point where if there aren't enough registrants to hold the program, it is cancelled. Coming in the day of, or the day before the program won't resurrect it. Please register at least a week early to avoid disappointment.

### PHOTO POLICY:

Photos and videos are periodically taken of participants in a class, during a special event or at the Roselle Park District's parks and facilities. The photos and videos are for Roselle Park District use only and may be used in brochures, pamphlets, flyers, posters, banners, on our website, in social media or promotional videos.

# REGISTRATION

## Residency

Not all Roselle residents are Roselle Park District residents. Even though you may have a Roselle address, you may pay taxes to another park district. Therefore, proof of residency is required when registering for programs for the first time. This may be done with a driver's license, utility bill, (or a mortgage statement for those who are recently moving to the area). Roselle Park District residents support the district through property tax contributions.

## Wait List Process

A wait list is formed when a class reaches participant levels beyond the maximum. The wait list is designed to maintain interested people in a holding area until more spaces in the program are available, someone drops out, transfers, or a new section is added by park district staff based on interest. The wait list is maintained based on the order we process registrations. Customers will be contacted for confirmation before being added to one of our wait lists (or transferred from a wait list into the desired program) by the front desk or specific program supervisor. Please Note: Before a participant is transferred into a program, all corresponding paperwork and payments are required.

## Returned Check Policy

We gladly accept personal checks as payment. If for any reason a check is returned to our office marked "NSF," we will contact you. You will then be required to submit a full cash or money order payment, as well as a \$30 bookkeeping fee, within a ten business day period. Class privileges will be suspended and new registration will not be accepted until payment is received.

## What About Insurance?

The Roselle Park District does not provide medical coverage for injuries suffered while participating in park district programs, or while using park facilities.

The Park District, therefore, cannot assume responsibility for personal injury for persons participating in a recreation program or using facilities. Patrons are advised to make provisions for this coverage in their own personal insurance program.

## What If I Have A Special Need?

Participants who require special assistance during park district programs should note their needs on the registration form and call (630) 894-4200 to notify the park district.

For additional services, please contact the Western DuPage Special Recreation Association at (630) 681-0962. **Note:** There is a box to check on our program registration form to alert our Front Desk Attendants and Recreation Supervisors that these services are desired for any given program.

**All forms and policies available at [rparks.org](http://rparks.org)**

## Refund Policy

The Roselle Park District endorses a customer satisfaction policy and strives to provide high quality programs, services, and facilities. However, sometimes expectation levels or situations occur that do not meet the satisfaction of our customers and a refund request is made.

If for any reason you are requesting a refund, please contact the Park District at (630) 894-4200 or come by in person to submit a request.

1. All refund requests must be made at least two business days before the first class meeting or practice of program.

4. No refunds will be issued for any program after second meeting of a program unless a physician's note is provided. Refund requested for medical reasons will be prorated from the time the request is received.

  - Other type of refund inquiries are at the discretion of the Rental Specialist.
6. The Park District will not issue refunds for fitness center memberships or Lake Park High School student parking permits.
7. Some classes, programs, and fees have specific refund policies that will be adhered to.
8. The Park District reserves the right to judge refund requests on a case-by-case basis and partial or full refunds may or may not be approved at any time at the discretion of the district.
9. Refunds can take up to fifteen business days.
